

## TIQTINI MOSCATO LIGHT

Cultivar	100% Muscat
Wine of Origin	Western Cape, South Africa
Wine Maker	Jacques Theron

### Harvest detail

Only the finest Moscato grapes are harvest early in the morning when it is still cool to preserve freshness. They are harvested earlier in the harvest season, while the grapes have good natural acidity to balance the natural sweetness.

### Cellar Treatment

Only free run juice is used for the purest fruit expression (i.e. no pressed grape must: as pressing the grapes add astringent flavours from the skins and pips). After settling and acid adjustment, the fresh grape must was inoculated with selected yeast. Fermentation was colder than usual to capture the delicate floral and upfront fruit flavours. The wine is bottled with CO2 in a Petillant style (lightly sparkling).

### Tasting notes

A pale straw colour with a light green tinge, the bouquet is burst of Muscat grape aroma with peach notes and delicate orange blossoms. The flavours follow through on light, refreshing slightly-sparkling, spritzy palate. This elegant, lighter style Muscat wine is low in alcohol, while the mouth filling sweetness is well balanced by refreshing acidity and a lingering finish.

### Serve

This wine should be served well-chilled. It is an ideal lunchtime wine, complementing light summer salads and tapas style meals. However, it is versatile enough to be served at any occasion.

### TECHNICAL ANALYSIS

Alcohol	9%	Total Acidity	5.9 g/l
Residual Sugar	27g/l	pH	3.29

## TIQITINI ROSE

Cultivar Blend  
Wine of Origin  
Wine Maker

Chenin Blanc, Colombard, Muscat, Pinotage  
Swartland, South Africa  
Jacques Theron

### Harvest detail

Only the finest grapes are harvest early in the morning when it is still cool to preserve freshness. They are harvested earlier in the harvest season, while the grapes have good natural acidity to balance the natural sweetness.

### Cellar Treatment

Only free run juice is used for the purest fruit expression (i.e. no pressed grape must: as pressing the grapes add astringent flavours from the skins and pips). After settling and acid adjustment, the fresh grape must was inoculated with selected yeast. Fermentation was colder than usual to capture the delicate floral and upfront fruit flavours. All varieties in the blend were vinified separately and blended to perfection before bottling with CO<sub>2</sub> in a Petillant style (lightly sparkling).

### Tasting notes

An irresistible juicy natural sweet rosé, Tiqitini Rose is a pretty cherry pink with tempting crushed strawberry and Turkish delight aromas that explode in succulent candied red berry flavours. The light alcohol, lively wine is easy-drinking and a great lunch time wine.

### Serve

A fantastic summer wine served ice cold, or with picnics, curried chicken salads, BBQ burgers and sticky ribs.

### TECHNICAL ANALYSIS

Alcohol	8%	Total Acidity	6.1g/l
Residual Sugar	70g/l	pH	3.4
